# Moment of Inspiration

"Unless  
someone  
like you cares a  
whole awful lot,  
nothing is going  
to get better.  
It's not."

- **Dr. Suess**

## **BEN-E-LECT FOUNDATION**

Connecting Potential to Opportunity

### **Our Mission**

To serve as a catalyst for under-mentored young adults, helping them realize their full potential by equipping them with the tools they need to build a future filled with purpose and fulfillment.

### **Our Program**

Working in close collaboration with the foundation, local community leaders lend a helping hand to program participants by providing advice, guidance, and support which promote their personal development, build their sense of accomplishment and competence, and nurture their overall well-being.
